

International Stem Cell Conference September 6-7, 2018 | Bern, Switzerland

3rd Announcement

Dear Scientists, dear Colleagues,

We would like to remind you to join us at the **International Stem Cell Conference / International Placenta Stem Cell Society (IPLASS)** in Bern, Switzerland on **September 6-7, 2018**.

The program contains plenary lectures, short oral presentations selected from the submitted abstracts, and poster sessions. Young investigators are encouraged to submit an abstract and apply for a young investigator award.

Registration (www.iplass2018.org/registration) is open now. Late-breaking abstracts can still be submitted, but will be considered for poster presentation only (www.iplass2018.org/abstracts).

Late-breaking abstracts window is open until July 31, 2018.

Confirmed speakers now include:

Sveva Bollini
Cesario Borolongan
Paolo de Coppi
Michele de Luca
Florelle Grindaux
Raphael Guzman

Marisa Jaconi
Anna Lange- Consiglio
Rebecca Lim
Fabio Marongiu
Ivan Martin

Francisco J. Nicolás
Grazia Nicoloso
Rachel Ofir
Ornella Parolini
Gerald Schwank

This IPLASS congress will be held in conjunction with the first Meeting of the Swiss **TCBM Platform for Translational and Clinical Bio-Manufacturing**, the new public/private platform for cell therapy and regenerative medicine in Switzerland.

We are looking forward to welcome you in Bern in September 2018.
